

Hello Lucaya International Students,

We are writing you from the Gordon School in Rhode Island which is the smallest state in the US.

It is Spring here and the weather is finally getting warmer. We are getting excited to see the flowers bloom and buds grow on the trees. But we are most excited that with warmer weather we can wear shorts and short sleeved shirts.

The Preschool class is learning all about the Post office and how mail is transported all around the world. We wrote letters to our families and friends and we were hoping to become pen pals with you!

Here are some questions we have.

The Preschool class at the Gordon School
